We know what you need.

1. Most items are in stock and ship the same day. If an order is received by 2:00 P.M. PST, 95% of those orders ship the same day.
2. For other items not in stock, we can generally ship within a day or two. We'll let you know if you call to place your order.
3. Spa covers, doors, cabinetry or other specialty items may have a 3-4 week lead time.

We know you want your spa running quickly, so we work to ship ASAP.
